

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

21 April 83

NOTE FOR: Director of Central Intelligence
FROM : Henry S. Rowen, Chairman/NIC

Dave Abshire has asked me to pass on to you a copy of the attached speech by Sam Nunn. I call to your attention the section on Pages 6-7 in which he says that Eastern Europe is a potential Achilles heel for the Soviets and that their forces in or passing through Eastern Europe will be subject to commando and partisan checks. He advocates the revival of the concept of encouraging resistance among the Eastern Europeans.
